Released From: The Criminal Justice Council
Release Date: April 7, 2017

The Delaware Criminal Justice Council (hereinafter the "CJC") is soliciting applications for potential funding under the Federal Fiscal Year 2016 Victims of Crime Act ("VOCA") formula grant program (the "Program"). The United States Department of Justice, Office for Victims of Crime (OVC) is charged with administering this Program, in conjunction with State agencies like the CJC. The Program is designed to provide funding to state and local units of government, non-profit organizations, and communities for direct services to victims of violent crime.

This solicitation is specifically seeking **new** programs to provide direct service to victims of crimes.

Per federal requirements of the VOCA-Assistance Formula Grant Program, the CJC has to ensure that a minimum of 10% of the federal award be used to serve each of the following categories of victims: sexual assault; child abuse; domestic violence; and previously "underserved" victims.

Per the federal guidelines, "underserved victims" of either adult or juvenile offenders may include, but are not limited to, victims of federal crimes; survivors of homicide victims; or victims of assault, robbery, gang violence, hate and bias crimes, intoxicated drivers, bank robbery, economic exploitation and fraud, victims of sex and/or labor trafficking, and elder abuse.

In addition to the federal guidelines, Delaware considers elderly victims and victims with disabilities as underserved priority populations. This population does not go towards the CJC's requirement toward underserved victimizations, but may give an applicant additional points in the scoring process.

For the purpose of this solicitation, a victim of federal crime is a victim of an offense that violates a federal criminal statute or regulation. Federal crimes also include crimes that occur in an area where the federal government has jurisdiction, such as Indian reservations, some national parks, some federal buildings, and military installations.

For the purposes of this solicitation, "elder abuse" is defined as the mistreatment of older persons through physical, sexual, or psychological violence, neglect, or economic exploitation and fraud.

For the purpose of this solicitation, the term "disability" means, "with respect to an individual (A) a physical or mental impairment that substantially limits one or more major life activities of such individual; (B) a record of such an impairment; or (C) being regarded as having such an impairment."

Major Life Activities (A): For purposes of this solicitation, "major life activities" include, but are not limited to, caring for oneself, performing manual tasks, seeing, hearing, eating, sleeping, walking, standing, lifting, bending, speaking, breathing, learning, reading, concentrating, thinking, communicating, and working. Major bodily functions (A), for purposes of this solicitation, "a major life activity also includes the operation of a major bodily function, including but not limited to, functions of the immune system, normal cell growth, digestive, bowel, bladder, neurological, brain, respiratory, circulatory, endocrine, and reproductive functions."

Regarded as having such impairment: For purposes of this solicitation, an individual meets the requirement of "being regarded as having such an impairment" if the individual establishes that he or she has been subjected to an action prohibited under this chapter because of an actual or perceived physical or mental impairment whether or not the impairment limits or is perceived to limit a major life activity. This shall not apply to

impairments that are transitory and minor. A “transitory impairment” is an impairment with an actual or expected duration of 6 months or less.”

Title 42, chapter 126, Section 12102 of the United States Code.

For more information on the definition, please refer to the US Department of Justice, Americans with Disabilities Act home page: <http://www.ada.gov/>

Applicants must identify crime victims by the types of crimes the proposed program will serve (e.g. domestic violence, sexual assault, child physical abuse and/or neglect, hate or bias crimes, homicide, drunk driving, elder abuse, gang violence, etc.).

Eligible Applicants:

To be eligible, an organization must provide direct services to crime victims or clients with issues directly related to being a victim of a crime. The organization must be operated by a public agency or nonprofit organization, or a combination thereof. Organizations that have divisions, sections or components which offer services to crime victims or clients that have been victims of crime but provide other services or functions, are eligible. For example, criminal justice agencies, Faith-based and neighborhood programs, hospitals and emergency medical facilities that perform a wide variety of functions but are capable of providing direct services to crime victims, are eligible.

AVAILABLE AMOUNT:

Under the FY2016 VOCA-Assistance for New Programs solicitation, the **amount requested may be less than, but cannot exceed \$3,051,177**

Programs that are selected for funding may be eligible to receive continued funding pending availability of federal funds.

Award Period:

Proposals should be based on two-year (24 months) project period; applicants should be prepared for a state date of July 1, 2017.

Budgets must be reasonable, and reflect the proposed project period.

Priority Funding:

The CJC has to ensure the State is compliant with the federally required categories. The priority will be given to projects that provide direct services to victims of child abuse and underserved crimes.

The CJC has exceeded the required minimum of 10% for services to domestic violence victims and sexual assault victims. Agencies that are proposing services for domestic violence victims and sexual assault are still encouraged to apply.

Match:

Sub grantees must provide the required 20% match of the **TOTAL** cost of program. In-kind match may be utilized to satisfy this requirement. To determine match amount, please use the calculation: \$ federal request / 80% x 20% = required match.

APPLICATION KITS:

Potential applicants must submit a CJC Pre-Egrants Concept Paper for the **FFY2016VOCA-Assistance for New Programs**. This application kit is attached to the solicitation. Completed concepts will be reviewed. If selected, the agency will be asked to enter the information in E-grants.

CJC's Electronic Grants Management System:

The CJC launched an online Grants Management System (“Egrants”) in 2014. The “FFY2016 VOCA-Assistance for New Programs” competitive solicitation will follow a paper submission and review process. Any programs that are approved for funding will notified and asked to enter the approved project and budget in the Egrants System for award and reporting purposes.

Please make sure your agency is properly registered, and the identified users are registered for the appropriate security levels. You can find Egrants information by following this link: <http://cjc.delaware.gov/Egrants.shtml>

Dun & Bradstreet Data Universal Numbering System: All applicants must have a Data Universal Numbering System (DUNS) number when applying for these federal funds. Organizations may receive a DUNS number at no cost, by calling the toll-free DUNS number request line at 1-866-705-5711.

System for Award Management (SAM): All potential subgrant recipients must register with the System for Award Management (SAM). SAM is the Official U.S. Government system that consolidated the capabilities of CCR/FedReg, ORCA, and EPLS. Registrants must update or renew their registration at least once per year to maintain an active status. It is the applicants' responsibility to provide the CJC the status of SAM registration (active, inactive, pending). <https://www.sam.gov/portal/public/>

Any selected applicants must be prepared to provide documentation of an active SAM prior to a CJC subgrant award. There is no cost to register.

Non-Profit Organization (NPO) Status Certification: When applicable, applicant agencies and subgrant recipients must certify their non-profit status by submitting a statement affirmatively asserting the agency is a non-profit organization. Applicants can submit a copy of the agency's 501(c)(3) designation letter; or a copy of the agency's certificate of incorporation that substantiates its non-profit status. IF SELECTED to be a subgrantee, the NPO should be prepared to provide the CJC with a copy of the most-recent financial statements. This will be made available on the CJC's website, per federal requirement. CJC staff will provide more guidance and information for projects selected for subgrant awards.

Ineligible Applicants:

Federal agencies and in-patient treatment facilities (*those designed to provide treatment to individuals with drug, alcohol, and/or mental health-related conditions*) that offer services to crime victims are not eligible to apply.

Subrecipients cannot knowingly use VOCA funds to offer rehabilitative services to offenders.

"Therapy" refers to intensive professional psychological/psychiatric treatment for individuals, couples, and family members related to counseling to provide emotional support in crises arising from the occurrence of crime. Allows for mental health counseling and care, including, but not limited to, out-patient therapy/counseling (including, but not limited to, substance-abuse treatment so long as the treatment is directly related to the victimization) provided by a person who meets professional standards to provide these services in the jurisdiction in which care is administered
- C. Peer Support:** VOCA-Assistance funding may support services identified as "peer-support," including, but not limited to, activities that provide opportunities for victims to meet other victims, share experiences, and provide self-help, information, and emotional support.
- D. Assistance with Participation in Criminal Justice Proceedings:** In addition to the cost of emergency legal services noted above in section a. "Immediate Health and Safety", there are other costs associated with helping victims participate in the criminal justice system that also are allowable. VOCA-Assistance funding may support the provision of services and payment of costs that help victims participate in the criminal justice system and in other public proceedings arising from the crime (e.g., juvenile justice hearings, civil commitment proceedings), including, but not limited to— (1) Advocacy on behalf of a victim; (2) Accompanying a victim to offices and court; (3) Transportation, meals, and

Sub-recipients are also encouraged to use specially trained examiners such as Sexual Assault Nurse Examiners.
- F. Forensic Interviews:** Forensic interviews, with the following parameters: (1) Results of the interview will be used not only for law enforcement and prosecution purposes, but also for identification of needs such as social services, personal advocacy, case management, substance abuse treatment, and mental health services; (2) Interviews are conducted in the context of a multi-disciplinary investigation and diagnostic team, or in a specialized setting such as a child advocacy center; and (3) The interviewer is trained to conduct forensic interviews appropriate to the developmental age and abilities of children, or the developmental, cognitive, and physical or communication disabilities presented by adults.
- G. Advocacy and Support:** In addition to providing services to the immediate health and safety, and mental health assistance, VOCA assistance funding may be used for the provision of personal advocacy and emotional support. This may include, but not be limited to: Working with a victim to assess the impact of the crime; Identification of victim's needs; Case management; Management of practical problems created by the victimization; Identification of resources available to the victim; Provision of information, referrals, advocacy, and follow-up contact for continued services, as needed; and traditional, cultural, and/or alternative therapy/healing (e.g., art therapy, yoga, etc).
- H. Legal Assistance:** VOCA-Assistance funding may support legal assistance services (including, but not limited to, those provided on an emergency basis), where reasonable and where the need for such services arises as a direct result of the victimization. Such services include, but are not limited to— (1) Those (other than criminal defense) that help victims assert their rights as victims in a criminal proceeding directly related to the victimization, or otherwise protect their safety, privacy, or other interests as victims in such a proceeding; (2) Motions to vacate or expunge a conviction, or similar actions, where the jurisdiction permits such a legal action based on a person's being a crime victim; and (3) Those actions (other than tort actions) that, in the civil context, are reasonably necessary as a direct result of the victimization.
- I. Transitional Housing:** Subject to any restrictions or limitations set by the CJC, permits transitional housing for victims (generally, those who have a particular need for such housing, and who cannot safely return to their previous housing, due to the circumstances of their victimization), including, but not limited to, travel, rental assistance, security

deposits, utilities, and other costs incidental to the relocation to such housing, as well as voluntary support services such as childcare and counseling.

- J. Relocation Expenses:** Subject to any restrictions on amount, length of time, and eligible crimes, set by the CJC, relocation of victims (generally, where necessary for the safety and well-being of a victim), including, but not limited to, reasonable moving expenses, security deposits on housing, rental expenses, and utility startup costs. Please be advised, while relocation expenses are allowable, mortgage expenses are not.

- L. Personnel Costs:** Costs that are directly related to providing direct services, such as staff salaries and fringe benefits, including malpractice insurance; the cost of advertising to recruit VOCA-funded personnel; and the cost of training paid and volunteer staff.
- M. Restorative Justice:** *Restorative justice*—Activities in support of opportunities for crime victims to meet with perpetrators, including, but not limited to, tribal community-led meetings and peacekeeping activities, if such meetings are requested or voluntarily agreed to by the victim (who may, at any point, withdraw) and have reasonably anticipated beneficial or therapeutic value to crime victims. Agencies interested in funding this type of program must contact the CJC for other criteria. At a minimum, the following should be considered:—
- 1) The safety and security of the victim;
 - 2) The cost versus the benefit or therapeutic value to the victim
 - 3) The procedures for ensuring that participation of the victim and offenders are voluntary and that the nature of the meeting is clear;
 - 4) The provision of appropriate support and accompaniment for the victim;
 - 5) Appropriate debriefing opportunities for the victim after the meeting; and
 - 6) The credentials of the facilitators
- N. Allowable cost for activities supporting direct services.** Supporting activities for which VOCA funds may be used include, but are not limited to, the following:

 - ◆ ***Multi-system, interagency, multidisciplinary response to crime victim needs***—Activities that support a coordinated and comprehensive response to crime victims needs by direct service providers, including, but not limited to, payment of salaries and expenses of direct service staff serving on child and adult abuse multidisciplinary investigation and treatment teams, coordination with federal agencies to provide services to victims of federal crimes and/or participation on

Statewide or other task forces, work protocols, interagency, and other working agreements;

 - 1) Whether such procurement will enhance direct services;
 - 2) How any acquisition will be integrated into and/or enhance the program's current system;
 - 3) The cost of installation
 - 4) The cost of training staff to use the automated systems and technology;
 - 5) The ongoing operational costs, such as maintenance agreements, supplies; and
 - 6) How additional costs relating to any acquisition will be supported;
- ◆ **Volunteer trainings**—Activities in support of training volunteers on how to provide direct services when such services will be provided primarily by volunteers; groups, and committees to develop

A. Other Allowable Costs and Services: The services, activities, and costs listed below are not generally considered direct crime victim services, but are often a necessary and essential activity to ensure that quality direct services are provided. Before these costs can be supported with VOCA funds, the state grantee and sub recipient must agree that direct services to crime victims cannot be offered without support for these expenses; that the sub recipient has no other source of support for them; and that only limited amounts of VOCA funds will be used for these purposes. The following list provides examples of such items:

- ◆ **Skills Training for Staff:** VOCA funds designated for training are to be used exclusively for developing the skills of direct service providers
- ◆ **Training Materials.** VOCA funds can be used to purchase materials such as books, training manuals, and videos for direct service providers.
- ◆ **Training Related Travel:** VOCA funds can support costs such as travel, meals, lodging, and registration fees to attend training within the state or a similar geographic area.
- ◆ **Equipment and Furniture:** VOCA funds may be used to purchase furniture and equipment that provides or enhances direct services to crime victims, as demonstrated by the VOCA sub recipient. VOCA funds **cannot** support the entire cost of an item that is not used exclusively for victim-related activities. However, VOCA funds can support a prorated share of such an item.

- ◆ **Operating Costs:** Examples of allowable operating costs include supplies; equipment use fees, property insurance printing, photocopying, and postage; courier service, brochures which describe available services; and books and other victim-related materials; computer backup files/tapes and storage; security systems; design and maintenance of websites and social media, essential communication services, such as webhosts and mobile device services.
- ◆ **VOCA Administrative Time:** VOCA funds may support costs of administrative time spent performing the following: Completing VOCA-required time and attendance sheets and programmatic documentation, reports, and statistics; administrative time to maintain crime victims' records; and the prorated share of audit costs; Conducting victim satisfaction surveys and needs assessments to improve victim services delivery in the project.
- ◆ **Leasing vehicles:** Costs of leasing of vehicles, as determined by the CJC after considering, at a minimum, if the vehicle is essential to the provision of direct services;
- ◆ **Maintenance, repair, or replacement of essential items**—Costs of maintenance, repair, and replacement of items that contribute to maintenance of a healthy or safe environment for crime victims (such as a furnace in a shelter; and routine maintenance, repair costs, and automobile insurance for leased vehicles), as determined by the CJC after considering, at a minimum, if other sources of funding are available; and
- ◆ **Project evaluation**—Costs of evaluations of specific projects (in order to determine their effectiveness), within the limits set by CJC.
- ◆ **Public awareness and education presentations:** Costs associated with public awareness and education presentations (including, but not limited to, the development of presentation materials, brochures, newspaper notices, and public service announcements) in schools, community centers, and other public forums that are designed to inform crime victims of specific rights and services and provide them with (or refer them to) services and assistance.

Prosecution Activities: VOCA funds cannot be used to pay for activities that are directed at prosecuting an offender and/or improving the criminal justice system's effectiveness and efficiency, such as witness notification and management activities and expert testimony at a trial. Additionally, VOCA funds cannot be used to pay for any costs related to non-emergency legal representation such as for divorces, or civil restitution recovery efforts.

- M. Activities Exclusively Related to Crime Prevention

No Charge to Victims for VOCA Funded Services:

Subrecipients must provide services to crime victims, at no charge, through the VOCA-Assistance funded project. Any deviation from this provision requires prior approval by the CJC.

The purpose of the VOCA Victim Assistance Grant program is to provide services to all crime victims regardless of their ability to pay for services rendered or availability of insurance or other third-party payment resources. Crime victims suffer tremendous emotional, physical, and financial losses. Per the federal guidelines, subgrantees must provide services to crime victims, at no charge, through the VOCA-funded project.

The CJC strongly discourages any program that applies a fee for service. All VOCA funded program and match income, no matter how large or small, is restricted to the same uses as the VOCA grant, and must be fully expended within the designated grant period. For example: VOCA often funds only a portion of a counselor's time. Accounting for VOCA program income generated by this counselor is complicated, involving careful record keeping by the counselor and the subgrantee. Any agency that charges for services must demonstrate to the CJC the capability to track program income in accordance with federal financial accounting requirements. To date, the CJC has not approved any subgrant project to earn program income.

Supplanting:

VOCA-Assistance grant funds **may not replace** state, local, or federal funds that have been appropriated for the same purpose.

VOCA-Assistance grant funds are to be used to **enhance or expand** services to victims, not to substitute (supplant) other funding sources. In other words, funds presently appropriated for the project may not be decreased due to additional federal funds being made available through the CJC. VOCA-Assistance funds must **add to**, not replace, what already exists.

In those instances where a question of supplanting arises, the applicant or subgrantee will be required to substantiate that the reduction in non-Federal resources occurred for reasons other than the receipt or expected receipt of federal funds. (For example: an agency received \$10,000 from a foundation or corporate funder; during the past year and this year will only be receiving \$5,000, VOCA-Assistance could be requested to cover costs up to the amount lost- if the applicant can substantiate that funding has been lost).

For the purposes of this program, in-kind match may include donations of expendable equipment, office supplies, or the monetary value of time contributed by professionals and technical personnel and other skilled and unskilled labor, if the services they provide are an integral and necessary part of a funded project. The value placed on donated services must be consistent with the rate of compensation paid for similar work in the subrecipient's organization. If the required skills are not found in the subrecipient's organization, the rate of compensation must be consistent with the labor market. Work space may be donated as in-kind match. The value of donated space may not exceed the fair rental value of comparable space as established by an independent appraisal of comparable space and facilities in privately-owned buildings in the same locality.
