INTRODUCTION

The Delaware Sentencing Accountability Commission (hereinafter referred to as "SENTAC") was created under Title 11, §6580 of the Delaware Code. The overall purpose of the creation of the Commission was to establish a system that emphasizes accountability of the offender to the criminal justice system and accountability of the criminal justice system to the public. In fulfillment of that purpose, the Commission created the sentencing guidelines embodied in this Benchbook. Said guidelines were approved of and implemented by Administrative Directive Seventy-Six of the Supreme Court of Delaware.¹ The guidelines are designed to ensure certainty and consistency of punishment commensurate with the seriousness of the offense and with due regard for resource availability and cost. However, it should be noted that Delaware's sentencing guidelines are voluntary, non-binding, and as such, in the absence of constitutional violations, are not generally subject to appeal.²

This Benchbook is designed to assist sentencing judges, prosecutors and defense attorneys in the formulation of sentences that are consistent with the goals of sentencing reform promulgated by SENTAC. Contained within are recommended sentencing ranges and statutory mandates for each offense. The overall sentencing philosophy of the General Assembly and SENTAC is that offenders should be sentenced to the least restrictive and most cost-effective sanction possible given the severity of the offense, the criminal history of the offender and the focus, which is, above all, to protect the public's safety. Other goals in order of priority include: (1) Incapacitation of the violence-prone offender; (2) restoration of the victim as nearly as possible to the victim's pre-offense status, and (3) rehabilitation of the offender. (64 Del. Laws, c. 402 § 1)

This Benchbook is revised annually to reflect legislative changes since the passage of the Truth in Sentencing Act of 1989.

How to Use This Book

The Table of Contents appears in the front of the book and will serve to guide you to the basic categories within this book. Appearing directly after the Table of Contents is an alphabetical listing of the offenses, their classifications and the corresponding page numbers. Prior to the actual specific categories is a summary of the broad offense categories and their general respective presumptive sentences. Following that you will find the recommended sentences and sentencing mandates for each particular crime in the offense category itself. The general offense categories have been listed in the Table of Contents.

In general, presumptive sentences are based on the classification of the offense, and whether it is violent or non-violent in nature. The majority of crimes have been divided into violent and non-violent categories based upon legislative determination (Title 11, §4201(c)). The recommended penalties for violent crimes are more severe than those prescribed for non-violent crimes in the same class. All Class A Felonies have been designated as violent. All other felony

classifications have been separated into violent and non-violent offenses. Whenever appropriate, sentences should reflect the objective of rehabilitation by including specific conditions of probation designed to aid in the treatment and/or vocational training of the offender.

Class A Misdemeanors have been divided into five general categories by SENTAC: Violent MA1, Escape MA2, Property MA3, Order & Decency MA4, and Controlled Substances MA5. The presumptive sentencing pages for misdemeanors share the same format as the felony offenses. Please note that some sentences require a period of time at one level to be followed by a period of time at another level. (For example: the presumptive sentence for the second conviction of a class A violent misdemeanor is up to 6 months at Level III AND up to 6 months at Level II.) The maximum fine is also included for misdemeanor offenses.

The recommended sentencing range for a particular crime classification, when aggravating or mitigating factors are not present, can be found at the beginning of the crime category. Crimes are listed in order of statute number with respect to title and section numbers, appearing as they would in the Delaware Code. When a particular offense requires specific treatment as mandated by the legislature a notation will be attached to said offense and supplementary notations will follow at the end of a given category. The presumptive sentencing range for a first conviction generally represents 25% of the statutory maximum; while serious aggravating factors may increase the penalty up to 100% of the statutory maximum. However, examples of common aggravated sentences as a result of prior criminal history, excessive cruelty or commission of the offense while under the control of the Department of Correction are contained in the box following the listing of statutes included within the offense category.

Within the Table of Contents you will find a Summary of Drug Offenses that gathers all of the drug offenses in one section of the book for ease of reference. The drug offenses are also listed in their respective offense level classifications. In addition, there is a listing of Aggravating and Mitigating Factors. You will also find the topic "Exceptional Sentences" and under that category are considerations that would take a sentence out of the normal range. Those topics include: (A) Special categories of (1) Domestic Violence and (2) Escape, (3) Juveniles Being Sentenced As Adults; and (B) Habitual Criminal sentences.

Aggravating and mitigating factors are to be used to explain a sentence imposed either above or below the presumptive sentence. Other factors, which do not appear on this list, may be utilized at the discretion of the sentencing judge. Although the increased or decreased penalties for most aggravating/mitigating circumstances are not specified, the "up to 25%" increase/decrease guide should be utilized whenever suitable.

When an offender is sentenced on multiple charges, only the primary charge should carry an enhanced penalty based on prior criminal history. All other charges should receive penalties consistent with or lower than the presumptive sentence for the offense, unless aggravated by some factor specific to the individual charge. In this way, judges can impose serious penalties when necessary and construct meaningful probation sentences to follow incarceration. It should be noted that all sentences that impose a period of incarceration of one or more years at Level V, require that the court must include as part of its sentence a six-month "Reintegration Period" at Custodial Supervision Level IV (quasi-incarceration), III, or II.³

³ Title 11, §4204 (l)

Following the Exceptional Sentences category are recommendations on the sentences appropriate for Violations of Probation. The reporting of these proceedings, along with aggravating factors, should follow the same procedures as for new offenses.

General Sentencing Information:

Levels of Supervision:

There are five levels of supervision in the Delaware criminal justice system as defined according to Title 11, §4204 and SENTAC policy.⁴ They are as follows:

Level I	<i>Unsupervised:</i> Fine or Administrative Supervision, i.e. criminal record checks, checks to determine compliance with program completion, certification of payment of financial obligations, etc.
Level II	<i>Field supervision:</i> 1 to 50 hours of supervision per month. This may be accomplished by office visits or field visits and/or the imposition of special conditions such as payment of a fine.
Level III	<i>Intensive supervision:</i> 1 hr./day and no more than 56 hrs./wk. Level is supervised by officers carrying limited caseloads to allow sufficient time for full follow up. It may include sentencing options such as community service, payment of a fine, day reporting, curfews, etc.
Level IV	<i>Quasi-Incarceration or Partial Confinement:</i> Offender is placed under house arrest with electronic monitoring, a halfway house, a restitution center, a residential treatment facility, &/or a reentry program. As a result, supervision should amount to approximately 9 or more hours daily.
Level V	<i>Incarceration or Full Confinement:</i> Commitment to the Department of Correction for a period of incarceration with or without the imposition of a fine as provided by law.

Probationary Sentences:

A. Maximum Probationary Sentences:

1. The period of probation for violent felonies⁵ is limited to 24 months.⁶
2. The period of probation for Title 16 felonies⁷ is limited to 18 months.⁸
3. The period of probation for all other offenses is limited to 1 year.⁹

B. Multiple Sentences:

In most cases, if an offender is serving more than one sentence as a result of convictions in more than one case, the offender shall not serve a consecutive period of probation or suspension in excess of the above time limitations. Instead, such probation shall be deemed to run concurrently with the previously imposed sentence of probation. However, the

limitations of this section shall not apply to a sentence imposed for a conviction involving an offense committed while the offender was on probation or suspension of sentence.¹⁰

C. Exceptions to the General Rules

- 1.) The above limits do not apply to sex offenses¹¹ if the sentencing court determines on the record that a longer period of probation will reduce the likelihood of re-offending.¹²
- 2.) The above limits shall not apply to Title 11 violent felonies¹³ if the sentencing court determines on the record that public safety will be enhanced as a result.¹⁴
- 3.) Limits may be exceeded if additional time is necessary in order to collect restitution, but must be served at Accountability Level I.¹⁵
- 4.) Limits may be exceeded by up to 90 days if more substance abuse treatment time is needed.¹⁶
- 5.) Total probation time cannot exceed maximum commitment time, or one year, whichever is greater.¹⁷
- 6.) Limits do not apply to the Title 11, §4204(l) sentences which provide for a six-month transition period from Level V incarceration to a lower level of supervision. The six-month transition period may be in excess of the maximum statutory sentence of imprisonment.¹⁸
- 7.) Portions of a sentence designated to be served at Accountability Level IV (quasi-incarceration) are not considered a "period of probation or suspension of sentence" as used in this section.¹⁹
- 8.) Ex Post Facto Considerations. The above sections, A, B and C (1-4), are inapplicable to sentences imposed prior to June 1, 2003 unless an application has been made to the Court

by the Department of Correction for sentence modification based upon good cause and an order is entered to that effect.²⁰

A Word of Caution:

Please remember that under the Truth in Sentencing Act, there is no parole, and all Level V sentences will be served with only very limited good time possibilities. This means that instead of serving from 25% to 50% of the sentence, a minimum of 75% will be served prior to release.

It should be noted that, absent extraordinary reasons, any Level IV (quasi-incarceration) sentence should only be imposed as an alternative to incarceration. Any person sentenced to Level IV (quasi-incarceration) should be held at Level V until space is available. If an individual can be held at Level III while awaiting Level IV (quasi-incarceration), please consider whether a Level III sentence might not be more appropriate.

SENTAC STATEMENT OF POLICY

1. The purposes of the Sentencing Standards are as follows: (a) To incapacitate, through incarceration, the violence prone offender and (b) To avoid, in so far as possible, the incarceration of the non-violent offender for the purposes of:
 - Enabling the offender to make any ordered restitution in a more timely manner.
 - Enabling participation in programs aimed at rehabilitation of the offender.
 - Conserving the limited incarceration facilities for use by violent felons.
2. For the purposes of sentencing, a violence-prone offender is defined as one for whom the current most serious offense is a crime included in the current list of violent crimes. (See definition sheets)
3. For the purposes of sentencing, only those offenses adjudicated at age 14 or older shall be counted in prior history.
4. For the purposes of sentencing, a conviction-free period of ten (10) years after final release from incarceration, or from date of sentence if only probation at levels I thru IV was ordered, shall be sufficient to “wash” the criminal history prior to that date. Felony A and Felony B crimes are excluded from this policy and should always be considered at time of sentencing.
5. In an instance where an offender, who is awaiting sentencing after conviction, is brought before the court and convicted of additional charges, the sentencing order may include all the offenses in a single order. The earlier unsentenced offenses shall not be considered in the prior history of the later offenses unless the later offenses occurred in the period after conviction on the earlier offenses.

²⁰ Title 11, §4333 (j)

-
6. When it can be determined that two or more prior convictions were the result of a single incident, only one conviction per incident shall be considered for criminal history purposes in reaching a decision on the appropriate guideline. (Example: Conviction on same date of Robbery 2 and Possession of Deadly Weapon During Commission of Felony = 1 prior violent Felony.)

In addition to its normal definition, convictions for a single incident shall include all convictions resulting from a single indictment or information.

7. When sentencing on multiple charges, prior criminal history should be considered only in determining the guideline for the "lead" or most serious offense. Sentences for other current charges shall be calculated based on zero criminal history.
 - a. Whenever a defendant is sentenced on multiple offenses to probation, the level of probation should be the same for all concurrent sentences. Senate Bill 50, codified as 11 Delaware Code Section 4333(c) makes with narrow exceptions, all periods of probation concurrent. Section 4333(b) also, with exceptions, places limits on the length of probation. If an offender is sentenced to different levels of probation, Probation and Parole places him or her in the highest level of probation imposed and that classification applies to all sentences imposed even at different levels. Title 11 Section 4333(i) empowers the Department of Correction to evaluate offenders after 60 days from the date of sentence. Such evaluation is to determine the appropriate level of probation within Level 3, 2, or 1.
This new policy does not apply to Level 1 – Restitution Only.
8. When sentencing on multiple charges and the lead offense is a violent felony, time for other current violent felonies will be added to Level V time.
9. When considering multiple charges, a violent felony shall be considered to be the most serious offense, for sentence calculation purposes, even though non-violent felonies of higher classification are present.
10. When ordering a sentence, the Judge will order the offender to a specific initial level of supervision (Assessment of Risk). The judge may recommend a specific treatment program. The DOC will make every effort to assign the offender, or procure admittance into, the recommended program, or equivalent, as slots become available.
11. In those cases where the Court would consider a level IV alternative to Level V incarceration and no vacancy exists, the judge should sentence the offender to Level IV, with the proviso that the offender be held at Levels V, IV, and III at the discretion of the Court until a Level IV facility becomes available.
12. All probation sentences handed down at one time (levels I, II, and III) should in the normal case be imposed to run concurrently.
13. Traffic offenses as listed in Del.C, Title 21, with the exception of section 2810, Driving after Judgment Prohibited, will not currently come under the purview of the Sentencing Standards. However, in the interest of conserving expensive and limited prison space for the violent and proven inalcitrant offender, it is strongly recommended that Title 21 offenders not be given a sentence to Level V incarceration unless they have previously been sentenced to, and failed at, supervision in Level III and Level IV, or unless incarceration is mandated by law.
14. Repetitive criminal history, as an aggravating factor, is defined as conviction or adjudication for the same or similar offense on two or more previous occasions. This policy is subject to

the limitations outlined in Policy Nos. 3 and 4, and to the limitations outlined in the various misdemeanor presumptive sentencing standards.

15. Excessive cruelty, as an aggravating factor, is defined as those facts surrounding the commission of a violent felony, which demonstrate such a callousness and cruelty towards the victim of the offense as to shock the conscience of the court.
16. Aggravating factors for the use of Level V as sanction for the non-violent categories of misdemeanor should be limited to objective factors, such as: Vulnerability of victim due to age or impairment Lack of Amenability – If offender is or was already at or above the presumptive Level of Supervision.
17. When an offender is released from incarceration by any means (good time credits, conditional release, etc.) the release will be to the highest level specified by the court, or by statute, for any unserved sentence, or portion thereof. If no level has been specified, release will be to Level II by default.
18. The supervisory levels (Level IV [Quasi-Incarceration]; Level III [Intensive Supervision]; etc.) refer to the perceived risk and resultant control to be exercised over the individual. An offender may, as a result of evaluation, be assigned to any type of treatment program without affecting the supervision level. Therefore, a change in supervisory level does not require a change in treatment program.
19. For purposes of determining conformance to standard, the final sentence, after any suspensions, is the determinant factor. For example, if a given sentence is 2 years at Level V suspended for 2 years at Level II, the Level II sentence is the portion which will actually be served and, therefore, the portion which will be considered as conforming (or not conforming) to the standard.
20. In those instances involving non-violent felonies, where a decision to incarcerate, with appropriate aggravating factors, has been made, the sentence should be UP TO, but NOT IN EXCESS of, 25% of the statutory maximum for the crime.
21. In those instances involving misdemeanors, where, due to stated aggravating factors, a decision has been reached that a sentence to incarcerate is unavoidable; the sentence should not exceed the "recommended maximum" as noted in the standards.
22. In instances when a non-TIS sentence to Level V is followed by a sentence to Level IV and/or Level III supervision, the Board of Parole may grant parole as follows:
 - a. Parole to the highest level specified by the original sentencing order. Should a violation occur during the parole period, the offender would be returned before the Board of Parole for violation of parole. Upon successful completion of the required period, the Department may, if appropriate, move the offender pursuant to Policy No. 26, if such a move is not in conflict with the Board of Parole Order. (Revised 9/22/98)
 - b. Offenders released upon reaching their short-time release date (conditional release) shall be released to serve the balance of the Level V sentence (i.e. conditional release supervision period) to the next highest level specified by the original court order or other subsequent sentencing order. If appropriate, the Department may move the offender pursuant to Policy No. 26, if such a move is not in conflict with the Board of Parole Order.
 - c. If a paroled or mandatory-released offender is serving a court-ordered Level IV or III sentence and the unexpired portion of the Level V sentence is less than one (1)

year, the Board of Parole, upon application by the Department of Correction, may issue an order discharging the offender from the balance of the Level V sentence, once an equivalent period has been successfully served at Level IV or III.

23. In those cases where an offender is subject to sentences for more than one offense, and when the combined sentence to intermediate sanction at level IV is in excess of one year, including any work release time on a sentence of incarceration, the Department of Correction shall, absent specific objections from the judge(s), be permitted to move the offender, after one year, to a lower level of supervision, providing the offender has met, and continues to meet, the regulations and any special conditions placed upon him/her by the courts. Any lapse in meeting those conditions shall be grounds for a return to completion of the Level IV sentence without recourse to the courts. In like manner, combined sentences to Level III in excess of twelve months shall be subject to movement to a lower level. Such movements, both up and down, will have no effect on the overall length of sentence, except when a formal violation report is filed with the court.
24. Any person failing to return to a Level IV facility shall be deemed to be on escape status. The facility shall cause a warrant to be issued charging the offender with Escape After Conviction and identifying him as a Level IV escapee. Any such person arrested on the warrant shall be returned to the original sentencing court for both a violation hearing and the new charge.
25. Where a defendant is directly sentenced to Level IV Work Release Center, residential treatment, or home confinement and has awaited placement pending slot availability at Level V for a period of 90 days or one half of the Level IV sentence (whichever is less), the Department of Correction shall make appropriate sentence modification recommendations to the sentencing Judge.
26. Level IV, work release center or halfway house, is deemed quasi-incarceration. A defendant serving a sentence at Level IV, work release or halfway house, i.e., quasi-incarceration, is entitled to earn "good time credits" pursuant to 11 Del. C s4381(b) and (c).
27. It is further the policy of SENTAC that individuals sentenced to Level IV (any variation), who must serve a term at Level V awaiting placement at Level IV, shall, during the time served with good conduct at Level V, be awarded good time pursuant to 11 Del. C. S4381(b)(2).
28. Any person arrested on a charge of escape from any Correctional facility, including both Level V and Level IV facilities, should be returned by the court to a Level V secured facility pending such hearings as may ensue from the charge.
29. With regard to sentences of incarceration conditioned by section 4204(k) of Title 11, as amended in 1997, it shall be understood that such sentences are to be served in their entirety at level V, and that there shall be no diminution of such sentence by any of the normally available early release devices, including (but not limited to) good time credits, furlough, work release or community transition. Because such sentences add significant complexity to the management of the population of incarcerated offenders, and, if used indiscriminately, would substantially increase the prison population, Section 4204(k) should be used by judges only in exceptional circumstances.
30. Since imposition of a sentence pursuant to 11 Del C., sec 4204(k) is, in effect, a departure from the presumptive sentencing guidelines; the reason for use of Sec 4204(k) must be stated on the record and included in the sentencing order. When Section 4204(k) is used with a sentence for an escape-related offense, the reasons for its use are self explanatory and need not be stated on the record or sentencing order.

-
31. For any Title 16 offense in which no fine is imposed, the Court shall consider imposing a SARTEP (Substance Abuse, Rehabilitation, Treatment, Education and Prevention Fund) civil penalty not to exceed \$300.
32. There is a significant cost benefit to the Court, police agencies, attorneys, Department of Correction, the victim and the public in general when a defendant resolves a case early in the criminal process and admits his or her involvement. As such, the Commission, in recognition of these efficiencies, reduces the guideline sentence by 25% when a defendant pleads guilty to the offense and resolves the matter 30 days prior to the scheduled trial. This guideline will only apply when there has been an admission of guilt and is not applicable to Robinson or nolo contendere pleas.

33. Per the passage of House Bill 312 (147th Delaware General Assembly), which amends Title 11 Section 3901 (d) The court shall direct whether the sentence of confinement of any criminal defendant by any court of this State shall be made to run concurrently or consecutively with any other sentence of confinement on such criminal defendant. Notwithstanding the foregoing, no sentence of confinement of any criminal defendant by any court of this State shall be made to run concurrently with any other sentence of confinement imposed on such criminal defendant for any conviction of the following crimes:

state or any territory of the United States which is the same as or equivalent to any of the offenses designated as a Title 11 offense identified in Section 4201(c) of this title.

Please familiarize yourself with the above policies and follow them, insofar as possible, in each and every case. If questions should arise, contact either a member of the Commission or the SENTAC staff, Romie Griesmer, at (302) 577-8962 or Rosemarie.Griesmer@state.de.us.

AGGRAVATING AND MITIGATING FACTORS

The standard sentence range is presumed to be appropriate for the typical criminal case. The court may impose a sentence outside the standard sentence range for that offense if it finds that there are substantial and compelling reasons justifying an exceptional sentence.

The following aggravating and mitigating circumstances for exceptional sentences are provided as examples and are not intended to be exclusive reasons for departure. An aggravating or mitigating circumstance, whether listed below or not, shall only apply if it does not reflect the statutory language defining the current offense, or constitute an element thereof.

When an exceptional sentence is decreed, the governing factor(s) leading to the exceptional sentence must be stated for the record, and should be identified in the sentencing order or on the sentencing worksheet.

Aggravating Factors:

- A1 Excessive Cruelty
- A2 Prior Violent Criminal Conduct
- A3 Repetitive Criminal Conduct
- A4 Need for Correctional Treatment
- A5 Undue Depreciation of Offense
- A6 Major Economic Offense or Series of Offenses
- A7 Prior Abuse of Victim
- A8 Custody Status at Time of Offense
- A9 Lack of Remorse
- A10 Betrayal of Public Trust
- A11 Supervision to Monitor Restitution
- A12 Lack of Amenability
- A13 Vulnerability of Victim
- A14 Statutory Aggravation
- A15 Statutory Habitual Offender
- A16 Child Domestic Violence Victim
- A17 Offense Against a Child
- A18 Sentenced to Time Already Served Only

Mitigating Factors:

- M1 Victim Involvement
- M2 Voluntary Redress or Treatment
- M3 Under Duress or Compulsion
- M4 Inducement By Others
- M5 Physical/Mental Impairment
- M6 Concern for Victim by Non-Principal
- M7 No Prior Convictions
- M8 Treatment Need exceeds Need for Punishment
- M9 Could Lose Employment
- M10 Statutory Mitigation
- M11 Assistance to Prosecution
- M12 Mental Retardation
- M13 Other

Description of AGGRAVATING FACTORS For Exceptional Sentences

Violent Felonies Only:

EXCESSIVE CRUELTY

- a. Those facts surrounding the commission of a violent felony which demonstrate such a callousness and cruelty towards the victim as to shock the conscience of the Court.
- b. Allowable Penalty: Up to the statutory maximum for the instant offense.

PRIOR VIOLENT CRIMINAL CONDUCT

- a. Defendant has demonstrated, by his prior criminal history, a propensity for violent criminal conduct. (SEE POLICY NO. 4)
- b. Recommended Penalties:
 1. With two or more prior, separate violent felonies --Up to the statutory maximum.
 2. With one prior violent felony -- up to 50% of the statutory maximum.

Summary: Standard Prior History Categories for Violent Felonies

Category	Factor	Fel A	Fel B	Fel C	Fel D	Fel E	Fel F	Fel G
A	One or less prior felonies	Presumptive Sentence

Aggravated Prior History Sentences at Level V for Nonviolent Felonies

H	Repetitive criminal history	NA	NA	24 months	Up this number of months:			
					24	15	9	6
J	Lack of amenability to lesser sanctions	NA	NA	24 months	Up to this number of months:			
					24	15	9	6

If nonviolent crime is a secondary offense, use the nonaggravated presumptive sentence.

Any Offense:

REPETITIVE CRIMINAL CONDUCT

Definition: Repetitive Criminal Conduct is conviction or adjudication for the same or similar offense on two or more previous, separate occasions. (SEE POLICY NO. 14)

NEED FOR CORRECTIONAL TREATMENT

The defendant is in need of correctional treatment which can be most effectively provided if he is placed in total confinement.

UNDUE DEPRECIATION OF OFFENSE

It would unduly depreciate the seriousness of the offense to impose a sentence of other than total confinement.

MAJOR ECONOMIC OFFENSE OR SERIES OF OFFENSES:

Identified by a consideration of any of the following factors:

- a. The offense involved multiple victims or multiple incidents per victim;
- b. The offense involved attempted or actual monetary loss substantially greater than typical for the offense;
- c. The offense involved a high degree of sophistication or planning, or occurred over a lengthy period of time;
- d. The defendant used his/her position of trust, confidence or fiduciary responsibility to facilitate the offense.

PRIOR ABUSE OF VICTIM:

On prior occasions, the defendant has harassed, threatened, or physically abused the victim of the current offense.

CUSTODY STATUS AT TIME OF OFFENSE:

The offender was on bail, early release from incarceration, or was serving a sentence in other than Level V at the time the offense was committed.

LACK OF REMORSE

The offender has demonstrated a total lack of remorse or acceptance of responsibility with regard to the offense.

BETRAYAL OF PUBLIC TRUST

The offender, in attempting to gain, or while holding, public office by appointment or election, betrayed the Public Trust by his or her unlawful conduct.

SUPERVISION TO MONITOR RESTITUTION

A long period of supervision is necessary to monitor the offender's restitution responsibilities. Penalty Note: Applicable to sentences involving less than Level V time only.

LACK OF AMENABILITY

The defendant has demonstrated a lack of amenability to lesser restrictive sanctions through violation of a prior period of probation, or a failure to meet the conditions of a prior or current period of probation.

VULNERABILITY OF VICTIM

The Defendant knew, or should have known, that the victim of the offense was particularly vulnerable or incapable of resistance due to extreme youth, advanced age, disability, or ill health.

STATUTORY AGGRAVATION

The current offense carries with it a statutory minimum mandatory period of incarceration which exceeds the sentencing guidelines.

STATUTORY HABITUAL OFFENDER

The Court, on motion, determined the defendant to be an habitual offender under the provisions of 11 Del.C., s4214, thus calling for a sentence of incarceration which exceeds the sentencing guidelines.

CHILD DOMESTIC VIOLENCE VICTIM

The person who is a victim in domestic violence is a child.

OFFENSE AGAINST A CHILD

The victim in the offense was a child under 16 years old.

CRIMES COMMITTED AGAINST PERSONS 62 YEARS OF AGE OR OLDER

An additional penalty of \$100.00 shall be imposed on all crimes committed against persons 62 years of age or older. The penalty assessment shall be placed in a special fund called the Senior Trust Fund.

Description of MITIGATING FACTORS for Exceptional Sentences

VICTIM INVOLVEMENT:

To a significant degree, the victim was an initiator, willing participant, aggressor, or instigator of the incident.

VOLUNTARY REDRESS OR TREATMENT:

Before detection, the defendant compensated, or made a good faith effort to compensate, the victim of the criminal conduct for any damage or injury sustained, or, before detection, he voluntarily sought professional help for drug/alcohol treatment, or for any other recognized compulsive behavioral disorders related to the offense.

UNDER DURESS OR COMPULSION:

The defendant committed the crime under duress, coercion, emotional distress, threat or compulsion insufficient to constitute a complete defense but which significantly affected his or her conduct.

INDUCEMENT BY OTHERS:

The defendant, with no apparent predisposition to do so, was induced by others to participate in the crime.

PHYSICAL/MENTAL IMPAIRMENT:

The offender, because of physical or mental impairment, lacked substantial capacity for judgment when the offense was committed. The voluntary use of intoxicants (drugs or alcohol) does not fall within the purview of this circumstance.

CONCERN FOR VICTIM BY NON-PRINCIPAL:

The offense was principally accomplished by another person and the defendant manifested extreme caution or sincere concern for the safety or well-being of the victim.

NO PRIOR CONVICTIONS

TREATMENT NEED EXCEEDS NEED FOR PUNISHMENT:

The offender is in greater need of an available treatment program than of punishment through incarceration.

COULD LOSE EMPLOYMENT:

The offender is gainfully employed and will more than likely lose his/her job if the sentencing standard is imposed.

STATUTORY MITIGATION

ASSISTANCE TO PROSECUTION:

Defendant rendered substantial assistance to Authorities in the investigation and/or prosecution of this or other crimes.

MENTAL RETARDATION

- a. Defendant is "significantly sub average in general intellectual function" (usually interpreted as an IQ score of 70 or less); AND
- b. "has deficits in adaptive behavior" (has insufficient life skills to get along without constant assistance from others); AND
- c. "manifested the above handicaps during the developmental period". (usually interpreted as having experienced the onset of handicap at the age of 21 or younger).

EXCEPTIONAL SENTENCES

Special Categories:

Domestic Violence

The particular nature of criminal charges involving domestic violence may be considered as deserving of aggravated punishment, for example, those cases where there have been repeated incidences prior to the first formal charge in Court, and those cases where children are the witnesses or victims of domestic violence. If aggravating circumstances are present, the following recommendations are presented below. If the guidelines in this category are used, the sentencing order/worksheet must identify the charge as "Domestic Violence Involved".

Policy 31: Any person arrested on a charge of escape from any Correctional facility, including both Level V and Level IV facilities, should be returned by the court to a Level V secured facility pending such hearings as may ensue from the charge. Persons charged with such escapes should not be released on bond.

Juvenile Offenders Being Sentenced as Adults

A juvenile offender for purposes of SENTAC is a person who was under the age of 18 at the time of the commission of the offense and who is thereafter prosecuted and convicted as an adult in either Superior Court or the Court of Common Pleas.

Sentencing judges should consider each juvenile offender's chronological age and the existence or non-existence of the following factors. These factors may provide for a departure from the standard sentencing range.

Individualized Sentencing Factors for Juvenile Offenders:

Age and developmental attributes

The juvenile offender's chronological age and developmental attributes including immaturity, impetuosity, and failure to appreciate risks and consequences;

Family and home environment

The effects the juvenile offender's family and home environment have produced;

Familial or Peer Pressure

The juvenile offender committed the crime under, or was otherwise unable to extricate his- or herself from, the negative influence of familial or peer pressure;

Mental health and medical history

The juvenile offender's mental health and medical history including any diagnoses or treatments;

Academic history and learning capacity

The juvenile offender's academic history and learning capacity including any special education records, psychoeducational testing results and remedial services provided;

Circumstances of the offense / Juvenile's Participation

The circumstances of the offense, including the extent of the juvenile offender's participation, his or her behavior during the criminal episode, whether the juvenile offender was instrumental in planning the offense, and the sophistication of the offense;

Level of sophistication

The juvenile offender's sophistication, or lack of sophistication in dealing with the criminal justice system;

Rehabilitation

The juvenile offender's potential for rehabilitation;

Other factors

Any other factor related to the juvenile offender's chronological age, immaturity, impetuosity, ability to assess risk, or anything about the offense itself that could be relevant in determining the appropriate sentence.

Exceptional Sentences:

Habitual Criminal

§ 4214 Habitual criminal; life sentence

(a) Any person who has been 2 times convicted of a Title 11 violent felony, or attempt to commit such a violent felony, as defined in § 4201(c) of this title under the laws of this State, and/or any comparable violent felony as defined by another state, United States or any territory of the United States, and who shall thereafter be convicted of a subsequent Title 11 violent felony, or attempt to commit such a violent felony, as defined in § 4201(c) of this title, or any person who has been 3 times convicted of any felony under the laws of this State, and/or any other state, United States or any territory of the United States, and who shall thereafter be convicted of a subsequent felony is declared to be an habitual criminal. The court, upon the State's petition, shall impose the applicable minimum sentence pursuant to (b), (c) or (d) of this section and may, in its discretion, impose a sentence of up to life imprisonment, unless the felony conviction allows and results in the imposition of capital punishment. Under no circumstances may the sentence imposed pursuant to this section be less than the minimum sentence provided for by the felony prompting the person's designation as a habitual offender.

(b) Any person who has been 3 times convicted of a felony under the laws of this State, and/or any other state, United States or any territory of the United States, and who shall thereafter be convicted of a subsequent felony, which is the person's first Title 11 violent felony, or attempt to commit such a violent felony, as defined in § 4201(c) of this title, shall receive a minimum sentence of one-half of the statutory maximum penalty provided elsewhere in this title, unless the maximum statutory penalty is life in which case the minimum sentence shall be 30 years, for the subsequent felony which forms the basis of the States petition to have the person declared to be an habitual criminal, up to life imprisonment, unless the felony conviction allows and results in the imposition of capital punishment.

(c) Any person who has been 2 times convicted of a felony under the laws of this State, and/or any other state, United States or any territory of the United States, and 1 time convicted of a Title 11 violent felony, or attempt to commit such a violent felony, as defined in § 4201(c) of this title

under the laws of this State, and/or any comparable violent felony as defined by another state, United States or any territory of the United States, and who shall thereafter be convicted of a subsequent Title 11 violent felony, or attempt to commit such a violent felony, as defined by § 4201(c) of this title, shall receive a minimum sentence of the statutory maximum penalty provided elsewhere in this title for the 4th or subsequent felony which forms the basis of the State's petition to have the person declared to be an habitual criminal, up to life imprisonment, unless the felony conviction allows and results in the imposition of capital punishment.

(d) Any person who has been 2 times convicted of a Title 11 violent felony, or attempt to commit such a violent felony, as defined in § 4201(c) of this title under the laws of this State, and/or any comparable violent felony as defined by another state, United States or any territory of the United States, and who shall thereafter be convicted of a 3rd or subsequent felony which is a Title 11 violent felony, or an attempt to commit such a violent felony, as defined in § 4201(c), shall receive a minimum sentence of the statutory maximum statutory penalty provided elsewhere in this title for the 3rd or subsequent Title 11 violent felony which forms the basis of the State's petition to have the person declared to be an habitual criminal, up to life imprisonment, unless the felony conviction allows and results in the imposition of capital punishment.

(e) Notwithstanding any provision of this title to the contrary, any minimum sentence required to be imposed pursuant to (b), (c), or (d) of this section shall not be subject to suspension by the court, and shall be served in its entirety at full custodial Level V institutional setting without the benefit of probation or parole, except that any such sentence shall be subject to the provisions of §§ 4205(h), 4381 and 4382 of this title. For purposes of the computation of good time under § 4381 of this title, a life sentence imposed pursuant only to § 4214 of this title shall equate to a sentence of 45 years.

(f) Notwithstanding any statute, court rule or regulation to the contrary, beginning January 1, 2017, any person sentenced as an habitual criminal to a minimum sentence of not less than the statutory maximum penalty for a violent felony pursuant to subsection (a) of this section, or a life sentence pursuant to subsection (b) of this section prior to July 19, 2016, shall be eligible to petition the Superior Court for sentence modification after the person has served a sentence of incarceration equal to any applicable mandatory sentence otherwise required by this section or the statutes

describing said offense or offenses, whichever is greater. Absent extraordinary circumstances, the petitioner may only file 1 application for sentence modification under this section. A Superior Court Judge upon consideration of a petition filed pursuant to this subsection may modify, reduce or suspend such petitioner's sentence, excepting any minimum or mandatory sentence required by this section or the statutes describing said offense or offenses. If a Superior Court Judge modifies such petitioner's sentence, the Judge may impose a suspended sentence that includes a probationary term. Nothing in this section, however, shall require the Court to grant such a petitioner a sentence modification pursuant to this section. For the purposes of this subsection, the "applicable mandatory sentence" shall be calculated by reference to the penalties prescribed for the relevant offense or offenses by this Code as of July 19, 2016, unless said offense has been repealed, in which case the penalties prescribed by this Code at the time of the act repealing said offense shall be controlling. The Superior Court shall establish rules to implement this subsection which are consistent with the statute, and those rules shall also provide that all petitions filed pursuant to this subsection where the felony establishing an inmate as a habitual offender was a Title 16 offense are heard first, followed by all petitions filed pursuant to this subsection where the felony establishing an inmate as a habitual offender was a crime against property, followed by all other petitions. Nothing in the rules or this subsection shall prohibit the Superior Court from hearing any petition without regard to this preferred sequence when the Department of Justice, through the personal authorization of the Attorney General, Chief Deputy Attorney General, State Prosecutor, or the Chief Prosecutor of a particular county, in response to a request authorized by the Chief Defender, Chief Deputy Defender, or Chief Conflicts Counsel, or private counsel if a petitioner is not represented by the Office of Defense Services, consents to the hearing of that petition and the Superior Court determines it is in the interest of justice to do so. The rules shall also provide for an initial review, including review of a formal response by the Department of Justice after consulting with the victim or victims, of sentence modification petitions involving crimes against persons or property, for the purpose of ensuring that victims are not inconvenienced by petitions that should be denied based upon the documents submitted; in cases not denied in this manner, all victims shall be given an opportunity to be heard. The Superior Court's review of any petitions filed pursuant to this subsection shall include a review of the applicant's prior criminal history, including arrests and

convictions, a review of the applicant's conduct while incarcerated, and available evidence as to the likelihood that the applicant will reoffend if released, including a formal, recent risk assessment. The Superior Court shall articulate on the record the results of its review and its rationale for granting or denying a petition. In all cases where sentence modifications are granted, modified sentences should provide for step-down provisions to ensure successful reintegration of persons into the community. By January 1, 2017, the Department of Correction shall notify any criminal defendant whose Level V sentence was imposed under a statutory sentencing regimen which was subsequently changed in a manner that reduced the sentence applicable to the defendant's convictions, including any criminal defendant who received a minimum mandatory sentence that no longer exists by virtue of the enactment of 80 Del. Laws, c. 28. The Department of Correction shall similarly notify the attorney of record, and if the attorney of record is unavailable to receive notice, the Office of Defense Services.

**SUPERIOR COURT OF DELAWARE
SPECIAL RULE OF PROCEDURE 2017-1
FOR REVIEW OF
A REQUEST TO MODIFY A HABITUAL OFFENDER SENTENCE**

(a) Scope of rule.

(1) *Nature of proceeding.* This rule governs the procedure on a petition by a person in custody and serving the Level V term of a sentence of this court imposed under 11 Del. C. § 4214 prior to July 19, 2016, when the petition seeks exercise of the court's jurisdiction to modify that sentence pursuant to 11 Del. C. § 4214(f) as enacted by 80 Del. Laws ch. 321 (2016) and clarified by 81 Del. Laws ch. 6 (2017).

(2) *Exclusiveness of remedy.* A petition under this rule shall be limited to a request for modification of a sentence pursuant to 11 Del. C. § 4214(f) when that sentence was imposed under the provisions of 11 Del. C. § 4214 extant prior to July 19, 2016, and when that sentence comprised a minimum sentence of not less than the statutory maximum penalty for a violent felony imposed under then-extant 11 Del. C. § 4214(a) or a life sentence under then-extant 11 Del. C. § 4214(b). The remedy afforded by this rule may not be sought by a motion for post-conviction relief or in any manner other than as provided herein. The availability of relief under this rule, however, shall not be construed to limit the court's ability to modify a sentence pursuant to Superior

Court Criminal Rule 35 or 11 *Del. C.* § 4217 where the requirements thereof are met.

(b) Appointment of counsel.

The Office of Defense Services shall represent the petitioner in proceedings under this rule unless the petitioner privately retains an attorney. It shall be the duty of the assigned or retained attorney to prepare and present a petition and other filings that comply with the provisions of this rule and 11 *Del. C.* § 4214(f). Upon entry of a final order, the assigned or retained attorney's continuing duty shall be as provided in Supreme Court Rule 26.

(c) Initial Review and Certificate of Eligibility.

(1) *Certificate of Eligibility required.* Unless a judge of this court issues a certificate of eligibility, a petition seeking exercise of the court's jurisdiction to modify a sentence pursuant to 11 *Del. C.* § 4214(f), as enacted by 80 Del. Laws ch. 321 (2016) and clarified by 81 Del. Laws ch. 6 (2017), shall not be filed with the court.

(2) *Request for certificate of eligibility to be filed by attorney of record.* A request for a certificate of eligibility to file a petition to modify a sentence pursuant to 11 *Del. C.* § 4214(f) may only be filed under these rules by the petitioner's attorney of record, who has been privately retained by the petitioner or assigned by the Office of Defense Services. The court will not consider a pro se request for a certificate of eligibility or any other pro se filing under this rule unless the petitioner has been granted permission to proceed pro se.

(3) *Content of request for certificate of eligibility.* The request for certificate of eligibility shall:

- (i) specify the date on which the petitioner will meet or has met the time-served eligibility requirements set forth in 11 *Del. C.* § 4214(f) and all grounds for the belief that the petitioner will meet or has met the time-served eligibility requirements on that date; and
- (ii) include as an attachment thereto any notification of time-served eligibility from the Department of Correction provided for by 11 *Del. C.* § 4214(f) that has been received by the petitioner or the attorney; and

-
- (iii) be supported by specific averments that the attorney has conducted a diligent review of the petitioner's sentencing history and that there is a good faith basis to believe that:
 - a. the petitioner is serving a sentence imposed under the provisions of 11 *Del. C.* § 4214 extant prior to July 19, 2016, and that sentence consists of a minimum sentence of not less than the statutory maximum penalty for a violent felony imposed under previous 11 *Del. C.* § 4214(a) or a life sentence under previous 11 *Del. C.* § 4214(b); and
 - b. the petitioner meets the time-served eligibility requirements set forth in 11 *Del. C.* § 4214(f); and
 - c. a petition may be heard because the felony establishing the petitioner as a habitual offender is one for which review is then-permitted as provided for in 11 *Del. C.* § 4214(f) and subdivision (d)(11) of this rule.

(4) *Place and time of filing request for certificate of eligibility.* A request for a certificate of eligibility shall be filed in the office of the Prothonotary in the county in which the judgment of sentence was entered and shall be served upon the office of the Attorney General in the county of application. A request for a certificate of eligibility shall be filed no earlier than 120 days prior to the date on which the petitioner meets the time-served eligibility requirements set forth in 11 *Del. C.* § 4214(f).

(5) *Response to request for certificate of eligibility.* The Attorney General shall file a written response to the request for certificate of eligibility within 30 days of the filing of the request. The response to the request for a certificate of eligibility shall be supported by specific averments that the Attorney General has conducted a diligent review of the petitioner's sentencing history and that there is a good faith basis to believe that:

- (i) the petitioner either is or is not serving a sentence imposed under the provisions of 11 *Del. C.* § 4214 extant prior to July 19, 2016, that consists of a minimum sentence of not less than the statutory maximum penalty for a violent felony imposed under previous 11 *Del. C.* § 4214(a) or a life sentence under previous 11 *Del. C.* §

4214(b); and

- (ii) the petitioner either does meet or does not meet the time-served eligibility requirements set forth in 11 *Del. C.* § 4214(f); and
- (iii) a petition may or may not be heard because the felony establishing the petitioner as a habitual offender is one for which review is then-permitted as provided for in 11 *Del. C.* § 4214(f) and subdivision (d)(11) of this rule.

(6) *Disposition of request for certificate of eligibility.* A request for a certificate of eligibility may be considered without presentation, hearing, or argument unless otherwise ordered by the court. The court shall set forth on the record the reasons for granting or denying the request for a certificate of eligibility.

(7) *Provision of materials to petitioner upon the grant of a certificate of eligibility.* If, but only if, the court grants a certificate of eligibility to file a petition to modify a sentence pursuant to 11 *Del. C.* § 4214(f), the Department of Correction and the Department of Justice shall, consistent with a memorandum of understanding entered for the express purpose of facilitating the lawful and efficient transfer of materials and information required for consideration of a petition under 11 *Del. C.* § 4214(f) and this rule, provide to the petitioner's attorney of record, who has been privately retained by the petitioner or assigned by the Office of Defense Services, access to such materials and information.

(d) Petition for modification of sentence imposed under provisions of 11 *Del. C.* § 4214 extant prior to July 19, 2016.

(1) *Form of petition.* An application under this rule shall be made by a petition for sentence modification.

(2) *Filing of petition.* Consistent with the provisions of 11 *Del. C.* § 4214(f), no petition shall be filed under these rules except by the petitioner's attorney of record, who has been privately retained by the petitioner or assigned by the Office of Defense Services. The court will not consider a pro se petition or any other pro se filing under this rule unless the petitioner has been granted permission to proceed pro se.

(3) *Content of petition.* The petition shall:

- (i) specify all grounds for sentence modification that are available

to the petitioner under 11 *Del. C.* § 4214(f);

- (ii) set forth in summary form the facts supporting each of the grounds thus specified;
- (iii) set forth a complete accounting of the petitioner's prior criminal history, including all arrests and convictions;
- (iv) set forth a complete history of the petitioner's conduct while incarcerated as derived from the materials and information provided by the Department of Correction under subdivision (c)(7) of this rule;
- (v) provide all available evidence as to the likelihood that the petitioner will not reoffend if released;
- (vi) provide the results of a formal risk assessment conducted by the Department of Correction no more than three years prior to the filing of the petition; and
- (vii) provide any other facts or circumstances that should be considered by the court when determining whether sentence modification is appropriate.

(4) *Multiple judgments of sentence.* If judgments of sentence under the prior provisions of 11 *Del. C.* § 4214 were entered on more than one offense at the same time because of joinder of offenses in one indictment, in one plea of guilt, or in one trial, the petitioner may seek modification of each such judgment of sentence in the petition. If other judgments of sentence were entered on one or more offenses at the same time and in the same sentencing order as a judgment of sentence under the prior provisions of 11 *Del. C.* § 4214 because of joinder of offenses in one indictment, in one plea of guilt, or in one trial, the Court may, notwithstanding any contrary provision of Superior Court Criminal Rule 35 or 11 *Del. C.* § 4217, consider modification of each such judgment of sentence to which 11 *Del. C.* § 4214 was not applied. Judgments entered at different times shall not be challenged in one petition but only by separate petitions.

(5) *Time of filing.* No petition shall be filed prior to January 1, 2017. A petition may not be filed until a judge of this court issues a certificate of eligibility under subdivision (c) of this rule. The court will consider a repetitive petition under this rule only in extraordinary circumstances.

(6) *Place of filing.* A petition shall be filed in the office of the Prothonotary in the county in which the judgment of sentence was entered and shall be served upon the office of the Attorney General in the county of application.

(7) *Response to the petition.* The Attorney General shall file a written response to the petition at a time specified by the court. That written response shall:

- (i) specify all grounds for the Attorney General's support of or opposition to the petition;
- (ii) set forth in summary form the facts supporting or basis for objecting to each of the grounds thus specified;
- (iii) verify, and supplement when necessary, the petitioner's prior criminal history, including all arrests and convictions;
- (iv) verify the history of the petitioner's conduct while incarcerated;
- (v) provide all available evidence as to the likelihood that the petitioner will reoffend if released;
- (vi) provide the Attorney General's position regarding the results of the formal risk assessment conducted and filed with the petition; and
- (vii) be supported by specific averments that the Attorney General has conducted a diligent review of the matter and that, if the petition involves a crime against a person or property the Attorney General has consulted with the victim as provided for in 11 *Del. C.* § 4214(f).

The court shall not act upon the petition without first providing the Attorney General with an opportunity to be heard on the matter. A petition for modification of sentence under this rule may be considered without presentation, hearing, or argument unless otherwise ordered by the court. In no case, however, shall the petition be considered in a manner inconsistent with the provisions of 11 *Del. C.* § 4214(f) and this rule. In any case in which presentation, hearing or

argument is had on the petition, a victim shall be given an opportunity to provide a victim impact statement in a manner consistent with the provisions of 11 *Del. C.* §§ 4331(d), (e), and (f).

(8) *Summary dismissal.* If it plainly appears from the petition and the record of prior proceedings in the case that the petitioner is not entitled to relief or that the requirements of this rule have not been met, the court may enter an order for the petition's summary dismissal and cause the petitioner's attorney and the petitioner to be notified.

(9) *Disposition of petition.* The court may in its sole discretion grant or deny the petition for modification of sentence. Notwithstanding the provisions of 11 *Del. C.* § 4214 or § 4217, any court rule or any other provision of law to the contrary, the court upon consideration of a petition properly filed pursuant to this rule may modify, reduce, or suspend the petitioner's sentence imposed. In no instance, however, may the court modify, reduce, or suspend any portion of any applicable mandatory sentence as defined by 11 *Del. C.* § 4214(f). If the court modifies, reduces or suspends the petitioner's sentence, the court shall include a transition period of custodial supervision at either Level IV, III or II as provided for by 11 *Del. C.* § 4204(l). Nothing in this rule or in 11 *Del. C.* § 4214 shall require the court to grant sentence modification to a petitioner.

(10) *Record of disposition.* Whenever the court disposes of a petition, the

court shall set forth on the record the results of its review and its reasons for granting or denying the petition.

(11) *Sequence of consideration of petitions.* To the extent possible, consistent with the provisions of 11 *Del. C.* § 4214(f), all petitions filed under this rule where the felony establishing an inmate as a habitual offender was a Title 16 offense shall be heard first, followed by all petitions filed where the felony establishing an inmate as a habitual offender was a crime against property, followed by all other petitions.

Effective November 8, 2017 (To be cited as "Del. Super. Ct. Spec. R. 2017-1_" and must be applied to all 11 *Del. C.* § 4217(f) sentence modification requests pending or filed on or after November 8, 2017.)

(a) Subject to the limitations set forth in this section, for a violation or misdemeanor offense under Title 4, 7, or 11, or for any violation or misdemeanor offense under Title 21 which is designated as a motor vehicle offense subject to voluntary assessment by § 709 of Title 21, or a violation of § 2702 of Title 14, or for violations of § 4166(d) of Title 21, or for violations of § 4172 of Title 21, or for a violation of a county or municipal code, or for a misdemeanor offense under § 4764, § 4771 or § 4774 of Title 16, a court exercising criminal jurisdiction after accepting a guilty plea or nolo contendere plea may, with the consent of the defendant and the State, stay the entry of judgment, defer further proceedings, and place the defendant on "probation before judgment" subject to such reasonable terms and conditions as may be appropriate. The terms and conditions of any probation before judgment shall include the following requirements: (i) the defendant shall provide the court with that defendant's current address; (ii) the defendant shall promptly provide the court with written notice of any change of address; and (iii) the defendant shall appear if summoned at any hearing convened for the purpose of determining whether the defendant has violated or fulfilled the terms and conditions of probation before judgment. The terms and conditions may include any or all of the following:

- (1) Ordering the defendant to pay a pecuniary penalty;
- (2) Ordering the defendant to pay court costs to the State;
- (3) Ordering the defendant to pay restitution;
- (4) Ordering the defendant to perform community service;
- (5) Ordering the defendant to refrain from contact with certain persons; and

(6) Ordering the defendant to conduct themselves in a specified manner. The length of the period of probation before judgment shall be fixed by the court, but in no event shall the total period of probation before judgment exceed the maximum term of commitment provided by law for the offense or 1 year, whichever is greater.

(b) This section may not be substituted for:

- (1) Section 1024 of Title 10. First offenders domestic violence diversion program;
- (2) Section 900A of this title. Conditional discharge for issuing a bad check as first offense; or
- (3) Section 4177B of Title 21. First offenders; election in lieu of trial.

The person is currently serving a sentence of incarceration, probation, parole or early release of any type imposed for another offense; b. The person is charged with any offense set forth in this title, and has previously been convicted of any violent felony; c. The person is charged with any offense set forth in this title, and has previously been convicted of any nonviolent felony within 10 years of the date of the commission of the alleged offense; d. The person is charged with any offense set forth in this title, and has previously been convicted of any misdemeanor offense within 5 years of the date of the commission of the alleged offense; e. (2) For the purposes of this subsection, the following shall also constitute a previous conviction: a. A conviction under the laws of another state, the United States, or any territory of the United States of any offense which is the same as, or equivalent to, any offense specified in paragraph (c)(1) of this section; b. An adjudication of delinquency; or c. Any adjudication, resolution, disposition or program set forth in § 4177B(e)(1) of Title 21.

(d) This section shall not be available to any person who has previously been admitted to probation before judgment for any offense within 5 years of the current offense.

(e) Nothing in this section shall be construed to permit probation before judgment for a violation of a county or municipal code that would not be permitted for the corresponding state code offense.

(f) Upon a violation of a term or condition of the Court's order of probation before judgment, the Court may enter judgment and proceed with disposition of the person as if the person had not been placed on probation before judgment.

(g) Upon fulfillment of the terms and conditions of probation before judgment, the Court shall enter an order discharging the person from probation. The burden shall be upon the defendant to demonstrate that the terms and conditions of probation have been fulfilled. The discharge is the final disposition of the matter. Discharge of a person under this section shall be without judgment of conviction and is not a conviction for purposes of any disqualification or disability imposed by law because of conviction of a crime.

(h) Notwithstanding any provision of this section to the contrary, the court shall not admit a defendant to probation before judgment nor otherwise apply any provision of this section unless the defendant first gives written consent to the court permitting any hearing or proceeding pursuant to this section to occur in the defendant's absence if:

(1) Timely notice of the hearing or proceeding is sent or delivered to the address provided by the defendant pursuant to subsection (a) of this section; and

(2) The defendant fails to appear at said proceeding. In the event that a defendant fails to appear at any hearing or proceeding pursuant to this section, the court may proceed in the defendant's absence if it first finds that timely notice of the hearing or proceeding was sent or delivered to the address provided by the defendant pursuant to subsection (a) of this section. Nothing in this subsection shall limit the power of the Court to hold a hearing to determine whether a defendant is in violation of the terms of that defendant's probation. (i) Notwithstanding the provisions of subsection (a) of this section to the contrary, in any case in which the Delaware Department of Justice does not intend to enter its appearance, the consent of the State shall not be required prior to placing a defendant on "probation before judgment." Notwithstanding the foregoing, except for the offenses under Title 21 to which this section applies, the Attorney General or other prosecuting authority may advise the court of aggravating circumstances in opposition to placing a defendant on "probation before judgment."

VIOLATION OF PROBATION SENTENCING POLICY

When a violation of probation hearing is held and determination is made that the offender is guilty of the violation and probation is to be revoked, it is presumed that the offender may move up only one SENTAC level from his/her current level.

AGGRAVATING CIRCUMSTANCES

An offender may have his/her level of supervision raised more than one level if any of the following aggravating circumstances exists:

- A.** Conviction of a new offense which was a felony, a violent misdemeanor, or an offense requiring a mandatory sentence.
- B.** The violation is a violation of a special treatment condition , e.g., offender willfully refuses to attend the ordered program and, as a result of such refusal, poses a substantial threat to the community or himself. Confinement in this instance should be short-term and could consist of either a Level IV (quasi-incarceration) or a Level V (incarceration), situation until treatment is arranged.
- C.** The offender has demonstrated willful failure to make court-ordered payments, and no other alternatives are possible, or those alternatives would depreciate the seriousness of the offense.
- D.** The offender is found to be in possession of a weapon, leading to the violation, and the offender has a past history of violence, drug trafficking or weapons violations.
- E.** The behavior of the offender represents an immediate threat to the community or an identified victim.
- F.** The behavior of the offender is repetitive and flagrantly defies the authority of the court.

Length of Level V Sentences - SENTAC Standard

When a period of incarceration is determined to be the sanction of choice for a violation of probation, a Level V sanction should be in accordance with the current SENTAC standard presumptive sentence for the original crime for which the probation is being served. If the presumptive sentence is less than level V, the sentence for violation of probation should be UP TO 25% of the statutory maximum.

Effective June 30, 1990, all Violation of Probation sentences must be designated as to whether they are "Truth in Sentencing" or "Non TIS" sentences. A defendant who had an original non-TIS sentence and is violated may not be given a TIS sentence for the violation, unless he specifically agrees thereto, and the sentence is given in relation to TIS guidelines. Designation is imperative so that DOC can maintain proper records on the time to be served, goodtime credits, and parole eligibility.

1. Sentencing orders (and worksheet forms) should refer to all violations as "Violation of Level ____ ", where the blank contains the current level designation.
2. In addition to the above designation, all violation orders, regardless of specific format, should contain the following information:
 - Client name, Effective date of sentence, Original offense, Type of action: i.e. terminated, continued, modified, or revoked as defined above. New sentence Level(s) and time(s), TIS or NON-TIS status, Aggravating factor(s): if necessary due to a two- level (or more) increase, or a longer than standard sentence length at Level V.

Glossary of Violation of Probation Terms:

Continuation

An order may be entered continuing a probationer on probation where there has been a finding of a violation of probation or a finding that there has been no established violation of probation, and the same conditions remain in place after the finding is entered.

Discharge as Unimproved

An order may be entered discharging a probationer as unimproved upon recommendation of the probation officer or at the discretion of the Court, when the Court determines that continued supervision of the probationer is unlikely to have a beneficial effect, even though one or more terms of the probation order have not been fulfilled.

Modification

An order modifying probation may be ordered when the Court finds that a violation has occurred and the probationer should be kept at the same level or placed at a lower level with additional, more restrictive requirements or altered requirements to more realistically assist the management of the supervision of the probationer.

Probation

As referenced in this section, shall be any sentence of supervision at a level less than incarceration at Level V which is imposed in lieu of, or in addition to, any sentence to said Level V as a result of conviction for any criminal offense.

Repetitive Behavior

The offender persists, after notice, in actions which constitute a pattern of behavior which repeats a past record of non-amenability to community sanctions.

Revocation

An order revoking probation may be entered when it is the intention of the Court to raise the level of intensity of supervision after finding that probation has been violated.

Substantial Risk

The threat of repetitive violations or causing physical injury to self or others is high.

Willful Failure to Pay

A failure to pay a monetary obligation despite the availability of resources with which to pay the obligation, or the refusal to take steps to obtain the resources to pay the obligation.

The following additional standard conditions of probation may be required by the Department of Correction in the supervision of defendants who have been convicted of a sex offense or those whose criminal record reflects a prior conviction of such offenses. The Commission expects the Department of Correction to review the needs of each individual defendant and impose only those additional conditions needed to appropriately supervise the defendant.

Notwithstanding any provision of this section or Section 4120 of this title to the contrary, any sex offender who is redesignated from Assessment Tier III to Assessment Tier II shall continue to comply with the registration and re-registration requirements imposed by Section 4120(g) upon Tier III offenders for life. Any re-designation from Assessment Tier III to Assessment Tier II shall not release the offender from the requirement of lifetime registration or address verification every 90 days pursuant to Section 4120 (g)(1)(a) of this title and subsection (f)(1) of this section.

Any sex offender designated to Assessment Tier I may petition the Superior Court for relief from designation as a sex offender, and from all obligations imposed pursuant to this section and Section 4120 of this title, if 10 years have elapsed from the last day of any Level IV or V sentence imposed at the time of the original conviction, or from the date of sentencing if no Level IV or V sentence was imposed, and if the offender has successfully completed an appropriate sex offender treatment program certified by the State and has not been convicted of any crime (other than a motor vehicle offense) during such time. If the offender has been convicted of any subsequent offense (other than a motor vehicle offense) or has been otherwise found to have violated the terms of any probation, parole, or conditional release to the sentence originally imposed following the conviction for the underlying sex offense, no petition or redesignation shall be permitted until 10 years have elapsed from the date of the subsequent conviction or finding of violation, during which time no additional convictions or findings of violation can or have occurred.
 - d. The Superior Court shall not grant a petition for redesignation or relief filed pursuant to this subsection unless:
 - a. The sex offender establishes, by a preponderance of the evidence, that the public safety no longer requires preservation of the original designation; and
 - b. The Court provides the Attorney General with notice of the petition and with reasonable period of time to be heard upon the matter.

When considering a petition for redesignation, the Court shall weigh all the relevant evidence, which bears upon the character and propensities of the offender, and the facts and circumstances of his or her prior offenses. The Court may in its discretion hold a hearing on the petition. If the Court grants the petition, it shall promptly enter the information concerning the redesignation into the DELJIS system.

BAIL

THE BAIL GUIDELINES AND POLICY STATEMENTS ARE THOSE OF THE JUSTICE OF THE PEACE COURTS AND NOT THE SENTENCING ACCOUNTABILITY COMMISSION. THEY ARE PROVIDED HERE AS A CONVENIENCE FOR USERS.

Recognizing that the setting of bail is an important and delicate exercise of judicial discretion, but that such discretion is restrained by both constitutional and statutory limitations, a “totality of the circumstances test” is adopted as bail policy to assist Delaware judicial officers in making logical, appropriate, bail setting decisions. This policy has been adopted for the following reasons:

- Presumptive bail under Delaware law is to release upon a defendant’s own recognizance or upon an unsecured appearance bond.
- Delaware law requires judicial officers to consider **all** legally relevant circumstances and criteria in reaching a bail decision.
- Delaware law requires the Court to employ an objective risk assessment instrument to gauge a person’s risk of flight and re-arrest.
- Departure from presumptive release upon OR or unsecured bail is permissible **only** if a totality of the circumstances analysis determines that secured bail is necessary to (a) ensure the defendant’s appearance to answer charges and/or (b) to ensure the safety of any victims or witnesses or the community.
- In considering and weighing legally relevant factors, the judicial officer must balance the rights of the defendant:
 - to be presumed innocent,
 - to be at liberty while awaiting trial,
 - to develop a defense,
 - to provide financial and other support for family, and
 - to preclude pressure to resolve the case to escape confinement with the State’s interests:
 - to ensure the defendant appears to answer to criminal charges,
 - to protect victims, witnesses, and the community, and
 - to ensure the proper administration of justice.
- A totality of the circumstances analysis requires a judicial officer to focus on **all** the factors legally relevant to a bail decision, not on a single factor, such as nature of the charged offense.
- A totality of the circumstances analysis requires and permits a judicial officer to make, “...a balanced assessment of the relative weights” of all the various factors legally relevant to a bail decision.²³
- A totality of the circumstances analysis gives a judicial officer broad, comprehensive discretion to fit bail to each case as the factors of each case warrant.

²³ *Illinois v. Gates*, 462 U.S. 213, 234 (1983).

THE BAIL DECISION – APPROPRIATE STEPS

1. REVIEW

Review the charging document and/or case file; criminal, traffic, capias and/or payment history information relating to the defendant and the offense; the Recommended Monetary Ranges; and any Special Case Procedures.

2. COMPLETE RISK ASSESSMENT INSTRUMENT IF APPLICABLE TO CHARGES

- a. The Risk Assessment Instrument will be used for all initial charges for the following case types: Felony, Misdemeanor A, Title 16, DUI and any alcohol related charges and any domestic violence charges.
- b. The Risk Assessment Instrument will also be completed in any case where the defendant is detained, regardless of the charge.
- c. Complete the scoring of the Risk Assessment Instrument.

3. WEIGH AND ANALYZE FOR FINAL DECISION

- a. Consider the score of the Risk Assessment Instrument, if applicable. There exists a presumption that defendant's falling into the "high risk" category will be detained and that defendant's falling into the "low risk" will not be detained. If these presumptions are overridden, this override must be recorded on the Risk Assessment Instrument.
- b. Using the same approach, determine bail amount for each charge. Also consider that the total bail amount for the entire case should be reasonable under all the circumstances; and that bail amount for each charge should be within the Recommended Monetary Range for the offense classification **unless** exceptional, articulable factors exist. If the bail amount is outside the Range, record additional justification.

4. SELECT AND RECORD BAIL CONDITIONS

- a. Bail conditions should be reasonably related to the instant offense or the underlying circumstances of the offense.
- b. May be used as an alternative to secured bail, where appropriate.
- c. Record all conditions.

THE BAIL DECISION – BASIC CONSIDERATIONS

- **PRESUMPTION:** Judges are required to release defendants on their own recognizance **OR** on unsecured bail **unless** factors to the contrary (“aggravating factors”) exist. Judges **MUST** record the reasons for secured or cash bail.
 - **Exception:** Capital crimes. 11 *Del. C.* §§ 2101 and 2105(a).²⁴
 - **When Using the Risk Assessment Instrument:** There exists a presumption that defendant’s falling into the “high risk” category will be detained and that defendant’s falling into “low risk” will not be detained. If these presumptions are overridden, this override must be recorded on the Risk Assessment Instrument.
- **BAIL TYPE:** Shall be based on a totality-of-the-circumstances analysis of all mitigating and aggravating factors.
 - **Bail type** should not be based solely on the nature of the charge(s).
 - **Secured Bail** may be considered reasonable only if aggravating factors exist. Establish and record all applicable factors.
 - **Cash Bail** is a more restrictive type of secured bail. Therefore, cash bail should be carefully considered and reserved for the most serious or unusual circumstances, the presence of which must be recorded.
 - **Mixed Bail Types:** Avoid setting secured and unsecured/OR bail on the same case. Bail for non-incarcerable offenses may be set at \$1 secured each **IF** the overall case **bail type** is secured.
- **BAIL AMOUNT:** Shall be based on a totality-of-the-circumstances (TOTC) analysis of all aggravating and mitigating factors.
 - The accompanying monetary ranges are recommendations for bail amount based on the **nature** of the offense as indicated by the *Delaware Code* offense classification. “Nature of offense” is only one of many relevant bail factors and shall not be the sole basis for the bail decision. Use these ranges in conjunction with other relevant bail factors.
 - The vast majority of bail decisions should fall within the recommended monetary ranges. Reasons for departing from the ranges must be documented.
 - Bail **amounts** shall be set *by charge*. While bail is set by charge, the total amount for bail for the case must be reasonable under all the circumstances.

SPECIAL CASE PROCEDURES & CONSIDERATIONS

The following represents a concise, but not comprehensive, outline of circumstances and case types requiring consideration of factors that may not have been appropriate to consider at the time the case bail was set initially, or factors that, due to the nature of the case, may require exceptionally close examination.

Revocation of Bail Following a Violent Felony

- If a defendant is alleged to have committed a violent felony while released on recognizance or bond from a previous violent felony, the original recognizance or bond must be revoked (11 Del.C. 2116(c)).

Capiases/Warrants & Rule 9 Warrants

- Failure to Appear: Original case bail; bail recommendation of issuing court; known practices of issuing court (for instance, Superior Court FTA Trial Capias may contain a high cash bail recommendation based on that Court's rigorous trial-setting practices and notice to defendants); FTA capias history; history of escape or resisting arrest convictions.
- Failure to Pay: Amount owed; history of FTP capias on the case; whether Work Referral or Wage Assignment has been ordered but not defendant failed to follow order; history of FTP capias on all cases; amounts owed to all courts at time of arrest on FTP capias.
- Rule 9 Warrants: Treat similar to new charges with bail set for first time, absent any recommendation from Superior Court.

Domestic Violence - PFA Violations

- Intimate Partners: (Husband/Wife; Ex-Spouses; Boyfriend/Girlfriend and ex; Same-sex relationships) – Use DV Lethality Screening Tool to assess risk – Do not underestimate results; recent separation of parties increases risk dramatically—loss of control may trigger violence.
- Other Family Members: Threats of violence or suicide; prior incidents of violence and escalating violence; sexual assault; whether instant offense involves injury; access to weapons; substance abuse; mental health issues; employment issues.
- PFA Violations: History of violations and violation of no contact orders (breach of release).

Drugs

- Offense occurred in Protected Area or in an area used as a Base of Operations
- Force or high-speed flight via motor vehicle was used to escape apprehension
- History includes prior Title 16 convictions and/or violent offenses
- Instant Offense carries mandatory penalty and/or quantity of drug indicates serious drug dealing;
- Minors are involved in offense as accomplices or as targeted customer; or offense involves death or injury to user/customer

Fugitives

- Nature of offense alleged to have been committed in foreign jurisdiction & bail guideline for comparable Delaware offense
- Circumstances of defendant's apprehension

Motor Vehicle & DUI

- DUI: Classification of offense as felony or misdemeanor – based on defendant's conviction history; alleged BAC at time of offense; circumstances of defendant's apprehension (accident, risky driving, injury or death to others, property damage); history of defendant's compliance with substance abuse treatment and/or rehabilitation previously ordered by court; indications of long-term substance abuse – Use mandatory bail condition if required [11 *Del. C.* § 2108(c)].

-
- Motor Vehicle: Imperative to remember that secured bail may not be ordered as initial bail for non-jailable offenses.

Sexual Offenses

- Child Victim: Require that the defendant have no contact with children except upon good cause shown and as provided by the Court [mandatory bail condition as required by 11 *Del. C.* § 2108(b)].
- Registered Sex Offenders: Require the defendant to register if defendant is charged with failing to register as a sex offender [mandatory bail condition as required by 11 *Del. C.* § 4120(4)].

Truancy

Adult Offender:

- Original Truancy charge: Truancy charges are criminal offenses if adult offender and may be treated as such for bail purposes.
- FTA Capias/FTP Capias/Contempt of Court: Set unsecured or secured based on circumstances

Juvenile Offender:

- Original Truancy charge: Truancy charges are civil offenses if juvenile offender; all restrictions on incarcerating juveniles pursuant to 10 *Del. C.* § 1007 apply to such cases.
- FTA Capias: Secured bail may only be set if the conditions imposed by 10 *Del. C.* § 1007 are met.
- FTP Capias: A capias may not be issued for a juvenile for FTP. Such a capias may be issued for the juvenile's parent or other responsible who co-signed any payment agreement. Thus, if presented with a FTP capias issued on a juvenile, set unsecured bail.
- Contempt of Court: If based on the underlying truancy matter, bail may be secured or unsecured depending on the circumstances and only if the conditions imposed by 10 *Del. C.* § 1007 are met.

Violation of Probation – Contempt of Court – Breach of Release

- If returned to other than issuing court, give great deference to recommendation of issuing court.
- VOP: Consider any facts available showing VOP is substantive or for collection of monies owed only. Consult probation officer if available. Review underlying offense and original sentence imposed. Consider prior VOPs on same or other cases.
- COC (often issued for FTP matters): Consider amount of monies owed, defendant financial resources, age of case, payments made to date if any, and history of prior FTP capiases on instant case and other cases.
- Breach of Release: Consider type of breach involved – breach of no-contact order, and nature of alleged unlawful contact are generally the most serious, although bail conditions can be breached in other ways than violation of a no-contact order.

Weapons Charges

- Take special notice of any prior act of violence or weapons charge.
- Determine if the defendant has a history of mental illness or is otherwise a person prohibited.
- Consider the underlying circumstances surrounding the use, display or threat to use the weapon and the impact on public or victim's safety.
- Even if release is unlikely as a result of the bail decision, consider whether a condition of bond requiring relinquishment of weapons is an appropriate under the circumstances.

HOUSE BILL NO. 397

AN ACT TO AMEND TITLE 11 OF THE DELAWARE CODE RELATING TO CRIMINAL PROCEDURE.

BE IT ENACTED BY THE GENERAL ASSEMBLY OF THE STATE OF DELAWARE:

Section 1. Amend § 4214, Title 11 of the Delaware Code by making deletions as shown by strike through and insertions as shown by underline as follows:

§ 4214. Habitual criminal; life sentence.

(f) Notwithstanding any statute, court rule or regulation to the contrary, beginning January 1, 2017, any person sentenced as an habitual criminal to a minimum sentence of not less than the statutory maximum penalty for a violent felony pursuant to subsection (a) of this section, or a life sentence pursuant to subsection (b) of this section prior to July 19, 2016, shall be eligible to petition the Superior Court for sentence modification after the person has served a sentence of incarceration equal to any applicable mandatory sentence otherwise required by this section or the statutes describing said offense or offenses, whichever is greater. Absent extraordinary circumstances, the petitioner may only file 1 application for sentence modification under this section. A Superior Court Judge upon consideration of a petition filed pursuant to this subsection may modify, reduce or suspend such petitioner's sentence, excepting any minimum or mandatory sentence required by this section or the statutes describing said offense or offenses. If a Superior Court Judge modifies such petitioner's sentence, the Judge may impose a suspended sentence that includes a probationary term. Nothing in this section, however, shall require the Court to grant such a petitioner a sentence modification pursuant to this section. For the purposes of this subsection, the "applicable mandatory sentence" shall be calculated by reference to the penalties prescribed for the

relevant offense or offenses by this Code as of July 19, 2016, unless said offense has been repealed, in which case the penalties prescribed by this Code at the time of the act repealing said offense shall be controlling. The Superior Court shall establish rules to implement this subsection which are consistent with the statute, and those rules shall also provide that all petitions filed pursuant to this subsection where the felony establishing an inmate as a habitual offender was a Title 16 offense are heard first, followed by all petitions filed pursuant to this subsection where the felony establishing an inmate as a habitual offender was a crime against property, followed by all other petitions. Nothing in the rules or this subsection

shall prohibit the Superior Court from hearing any petition without regard to this preferred sequence when the Department of Justice, through the personal authorization of the Attorney General, Chief Deputy Attorney General, State Prosecutor, or the Chief Prosecutor of a particular county, in response to a request authorized by the Chief Defender, Chief Deputy Defender, or Chief Conflicts Counsel, or private counsel if a petitioner is not represented by the Office of Defense Services, consents to the hearing of that petition and the Superior Court determines it is in the interest of justice to do so. The rules shall also provide for an initial review, including review of a formal response by the Department of Justice after consulting

with the victim or victims, of sentence modification petitions involving crimes against persons or property, for the purpose of ensuring that victims are not inconvenienced by petitions that should be denied based upon the documents submitted; in cases not denied in this manner, all victims shall be given an opportunity to be heard. The Superior Court's review of any petitions filed pursuant to this subsection shall include a review of the applicant's prior criminal history, including arrests and convictions, a review of the applicant's conduct while incarcerated, and available evidence as to the likelihood that the applicant will reoffend if released, including a formal, recent risk assessment. The Superior Court shall articulate on the record the results of its review and its rationale for granting or denying a petition. In all

cases where sentence modifications are granted, modified sentences should provide for step-down provisions to ensure successful reintegration of persons into the community. By January 1, 2017, the Department of Correction shall notify any criminal defendant whose Level V sentence was imposed under a statutory sentencing regimen which was subsequently changed in a manner that reduced the sentence applicable to the defendant's convictions, including any criminal defendant who received a minimum mandatory sentence that no longer exists by virtue of the enactment of 80 Del. Laws, c. 28. The Department of Correction shall similarly notify the attorney of record, and if the attorney of record is unavailable to receive notice, the Office of Defense Services.
