

DELAWARE CRIMINAL JUSTICE COUNCIL

The Delaware Criminal Justice Council is an independent body committed to leading the criminal justice system through a collaborative approach that calls upon the experience and creativity of the Council, all components of the system, and the community. The Council shall continually strive for an effective system that is fair, efficient, and accountable.

Public Hearings

The Criminal Justice Council is hosting four public hearings. There is no cost to attend these events. These forums are designed to create an open dialogue between state officials in the justice system and the community. Representatives from several divisions of the Delaware Justice System will be present to answer your questions and provide you with updates as well as to hear the concerns of the public. Do not let this opportunity pass you by. Be a part of the change you would like to see.
